

The Food Swap *List.*

Swap any food for another in the same group, using the portions listed below.

Welcome to *Food Swapping*

Please look at the food lists below if you would like to make adjustments to your meals/recipes. All food items within each section can be swapped around. All protein sources within the list can be switched around using the relevant portions below. The same goes for the rest of the food groups (carbohydrates, fats and fruits/vegetables).

The meals/recipes are flexible, leave out any ingredients you do not enjoy or replace them with another alternative. Reduce or increase flavours to your own liking. The recipes are not rigid.

NOTE: > means greater than
